Cornhole Rules

Game Rules

- ⇒ The game is played with 2 or 4 players (preferably 4).
- ⇒ The boards should be placed 27 ft. apart (front to front).
- ⇒ Team partners face each other from **OPPOSITE BOARDS**.
- ⇒ Play starts at either board with all eight bags.
- ⇒ Each team plays with a set of 4 bags. Each team has its own color.
- ⇒ Opponents alternate tosses until all 8 bags are played.
- ⇒ The round is then scored (see scoring).
- ⇒ After scoring the round repeat play from the opposite board. The scoring team from the previous round throws first.

Scoring

- ⇒ The first team to 21 or more points wins!
- ⇒ A team earns 1 point for a bag on the board. If any part of a bag is touching the ground after it stops moving, it does not score a point. If a bag touches the ground before landing on the board, it must be removed from the board before play resumes.
- ⇒ A team earns 3 points for a bag that goes completely through the hole.
- ⇒ The score for each round is determined by calculating the difference between team totals for the round. For example, if Team-A throws 1 bag into the hole, 1 on the board, and 2 off the board, then its total is 4 points. If Team-B throws 1 bag on the board and 3 off the board, its total is 1 point. The score of the round is the difference between the two totals. In this case, Team-A scored 3 points (4-1=3)
